The story
begins
from an
ordinary
room in a
building
you can
find any-
where
...

→ This is a work of fiction. It does not resemble real life. Any relation to real people is purely coincidence.

It's been two months since I first started working in Tokyo at a game company.

My primary job is to color in game characters as part of the coloring division.

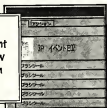

Use these terms for layer names!

Chest	Oppai
Penis	Chinko
Vagina	"That place"
Oshiri no Ana	Ketsu no Ana
<small>(aka asshole)</small>	
Seieki	Za-men
<small>(aka semen)</small>	
Menstruation	Pussy Juice

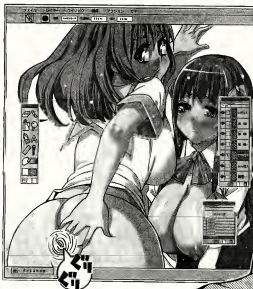

Right
now
I'm

Onii-
chan,

adding
color to

an asshole.

IT'S SHIT,
THIS ASS-
HOLE IS
COMPLETE
SHIT!!

I'm
s-sorry.

This person is
Oorui Yoshiki-
senpai. A demon
at work, he is
always very
strict with me.

**STOP WHAT
YOU'RE
DOING,
RIGHT NOW!**

This is supposed to be a pure love simulation game, with the concept of anal fucking your first love.

SO WHAT THE FUCK IS THIS SHIT? SOME KIND OF CREATURE?

DOES IT?!

OR WHAT, YOUR ASS-HOLE HAS THAT KIND OF COLOR?

No, not really...

DOES THIS LOOK FINISHED TO YOU? EVEN IF YOU COVERED THIS WITH A MOSAIC THE SMELL STILL CROSSES THROUGH THE MONITOR!!

WHY WOULD YOU GIVE ME SHIT LIKE THIS? FUCKING RETARD!

THIS ASSHOLE FUCKING STINKS!!

It reeks.

Coloring - Seemingly Terrible

Programming - No clue

Scenario - Can't really grasp it

Audio - Zero music sense

IS THERE
ANOTHER
SECTION
YOU CAN
TRANSFER TO?

YOU KEEP THIS
UP AND THERE
WILL BE NO
ADDITIONAL
COLORING
WORK FOR YOU
EVER AGAIN!!

I'm s- so
sorry senpai,
for anything
other than
art, I...

**YOU
IDIOT!**

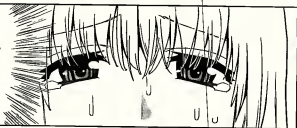

But but just like
senpai said
before, in order
to portray the
smell I added
highlights into
the wrinkles.

WHAT ARE
YOU? A
MONKEY? AN
APE?
YOU'RE A
HUMAN
AREN'T YOU!?

If you keep
doing only
exactly
what you're
told then we
have a
much bigger
problem!

What then..
What
should I do?

There's no
need for
robots that
can only do
what they're
told.

Listen
up.

I'll find it on my own.

No, its fine.

**YES!
EXACTLY!!**

A former artist once said he imagined a chrysanthemum flower while drawing to get the proper image.

A real asshole is disgusting, and doesn't match at all with how a 2D asshole is supposed to be.

That's why we color it the same way we color the lips and stuff to make it less disgusting.

Good work.

I got the idea
while looking at
my own asshole...

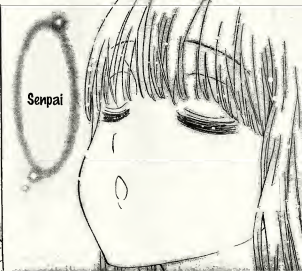

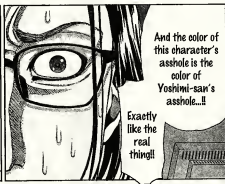

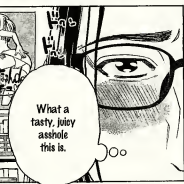

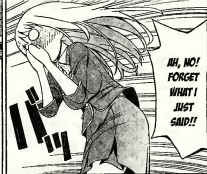

Whew

ほ

If I was
wrong I don't

Does

**ARE

Onii-
chan,
How are
you?

I joined
a game
company
four
months
ago.

Onii-
chan,
as usual
I'm...

かあああ...

I'm not.

**WHAT'S THIS!
THIS LACKS THE
SUBSTANCE, THE
REALISM, THE
FEEL, THE SMELL,
EVERYTHING THAT
REAL SEMEN,
SEMEN THAT
SCREAMS 'I WANT
YOU' NEEDS!**

**LISTEN UP!
YOU NEED
TO THINK
ABOUT ALL
OF THE
CHARAC-
TER'S
TRAITS!!**

But I've
never seen
real semen
before...

S-
SORRY..

Dumb

Uhm...
I don't

Schwarzenegger muscle enthusiast.

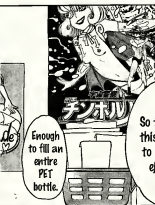

Deep
Fried
Oysters?

Likes:
Deep Fried Oysters
Zinc Supplements

Isn't it
written
right here
that he
likes deep
fried
oysters!?

TLNote: Oysters have been said to improve libido and have lots of Zinc which increases sperm volume.

Therefore this
character's
excessive amount of
zinc helps produce
more and thicker
semen.

Enough
to fill an
entire
PET
bottle.

So the plan for
this scenario is
to paint them
ejaculating
500ml.

A normal
human can
ejaculate about
5ml, but the
game concept is
Bukkake.

I- I don't
under-
stand...

**THE FEMALE
CHARACTER
NEEDS TO BE
COMPLETELY
COVERED IN
SEMEN!!**

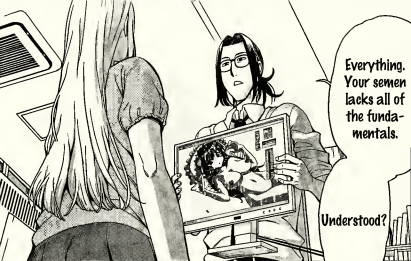

Uuu... I
tried my
best in my
own way..
What
should I
do?

**YOUR SEMEN
COMPLETELY
FAILS TO HAVE
THAT STICKY,
SLOPPY
FEELING!**

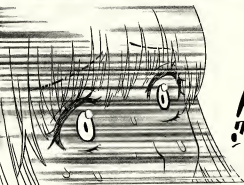

**IT'S
UTTER
SHIT!**

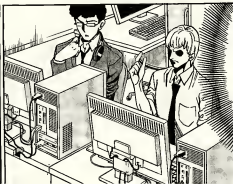

Everything.
Your semen
lacks all of
the funda-
mentals.

Understood?

Ah

Because of my
semen, the
lower quality of
the Event C@
will turn away
people from
purchasing the
game...!?

I'll hold
you to
those
words.

YES!

I hate
this.
I hate
this!!

I don't
want to
keep
dragging
others
down!!

**TOMORROW I
WILL GIVE
YOU PROPER
SEMEN...**

**I AM
REALLY
SORRY
ABOUT
THIS!**

Would you
like to
learn the
secret to
how I
paint
semen?

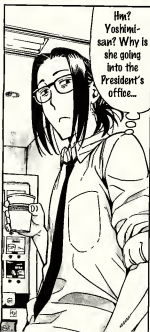

Eh?
Um..

You want
to get
better
don't you?
Come on,
hurry in.

Eh?

Hm?
Yoshimi-
san? Why is
she going
into the
President's
office...

Please
wait a
second
...

It'll be
fine, It
won't
take very
long.

Okay?

OK?

Uhm.. What
are you
going
to...

Eh!?

about
semen.

mya
ha-ha
...

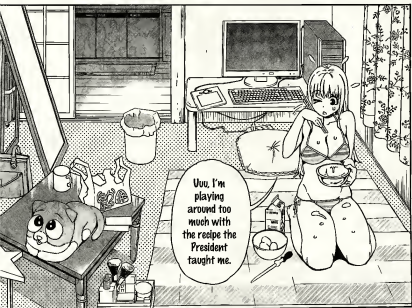

Just

A
little
lesson

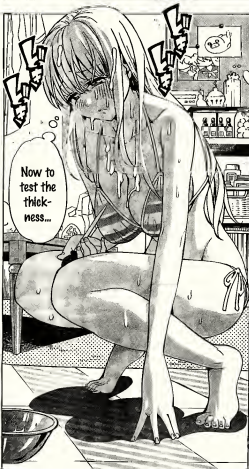

Kya!

The President said that they use this when making Adult Videos as a substitute to actual semen.

But I never would have guessed that mixing egg whites and milk would make something similar to semen...

ahh-
hhnn-
nnnn-
nn

What.. is
this? This
overwhelming
thickness...
seems kind of
naughty.

I can't get
flustered!! I
have to do this
for the sake of
painting
semen!!

More.. All
over my
body!!

Not enough...
That male
character can
release 500ml
at once!!

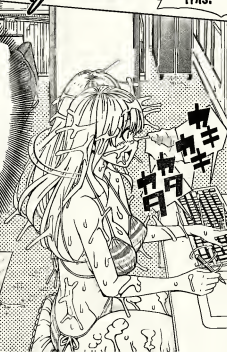

I think I'm
thoroughly
covered
now...
I've tired.

It's
gotta
be
this!

I need to start
drawing this
thick sticky,
sloppy semen
before I forget
this feeling!!

Ah.. so
hot...

This room...

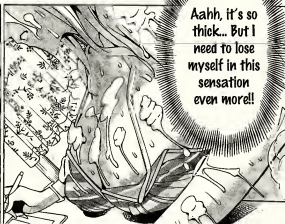

はぁ

はぁ

はぁ

はぁ

はぁ

Aaahh, it's so
thick... But I
need to lose
myself in this
sensation
even more!!

Onii-chan,
I think I
understand
now.

Ah..! It
tastes
pretty
good...

Surprisingly...

I've gotta
stop tasting
it and hurry
up and
draw!!

My
precious
semen is...

Ahh...

I.
can't.

酷農牛乳
酷農牛乳

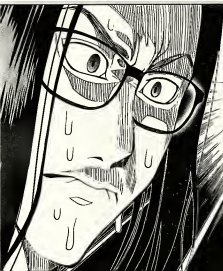

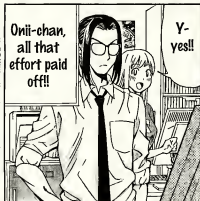

The next day.

But...
But...

What if
this is still
no good?
What will
I.....

What the hell is this?

This is
way
better
than
what I
could
ever
do!!

I don't want
to think it's
possible but
maybe seeing
the real thing
is the only
way...

Wait!
It can't
be...

How can
this be?
Yesterday
she was
nowhere
near this
level...

There's no
way you can
get this good
in just one or
two days!

Here you
go, nice
and thick
for you.

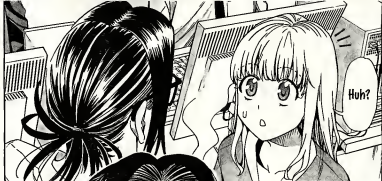

Nn nn This
semen is
good
reference..

Yester-

Mai-chan,
you're a

It's been
awhile! I
haven't seen
you since our
college
graduation!

Yup!

I want to
inspire people's
dreams with
my art!

Just like Pism'y

I want to

Just like Kinpachi!

In our

You just gotta push through all of those hard times!

Right? Yuuka!

Don't let that stuff get to me!!

Because my dream is to become an absolutely amazing teacher!

I'm not the only one having a hard time. Even when Mai-chan is having a hard time she just keeps going forward.

Mai-chan

Thank you,

And the high-lights should go here...

This shape and feeling... the shadowing... such great reference material!!

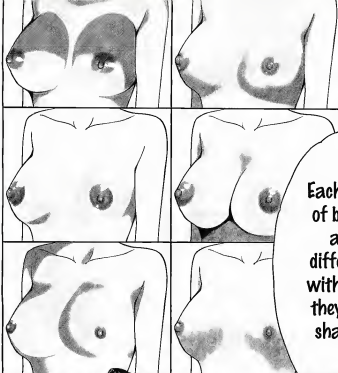

Stop.. looking.. at my embarrassingly small boobs.

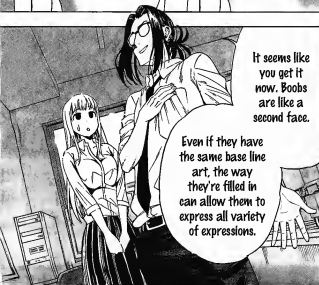

Each pair
of boobs
are
different
with how
they are
shaped.

It seems like
you get it
now. Boobs
are like a
second face.

Even if they have
the same base line
art, the way
they're filled in
can allow them to
express all variety
of expressions.

It looks
like the

???

She has improved vastly in the time that she has been here.

See how respectful and beautiful it has become. This here would get everyone to stop and stare at its magnificence.

This is her more recent work.

It's small, this, and just is looking. If you think jaw-dropping that in a girl she would ask what you're doing.

This is Yoshimi-san's first disk.

This disk is clearly superior. It glitters in the light and you can practically feel it pulsing off the page.
